

Covid19 - Lesson Guidance

Our priority during lessons will still be safety, both on the road, and with the possibility of infection.

In order to maintain this, we will be bringing in a few extra rules for the foreseeable future, and we would ask all our students to help us maintain a safe environment during this time.

WE WILL:

- Clean all touch surfaces of the car between every student.
- Supply anti-bac wipes and hand gel, and clean surfaces and hands when needed.
- Wear face masks while in the car

WHAT YOU NEED TO DO:

When you get the reminder text:

- If you have been exposed, or showing any symptoms, please cancel the lesson.
- You should self isolate for 7 days and get tested if you have any symptoms.

Before the lesson:

- Wear clean clothes (preferably covering as much skin as possible).
- If paying by bank transfer, please do so before the lesson.
- Wash your hands for 20 seconds.
- Remember to bring your face mask, learner booklet and a pen.

During the lesson:

- Masks will be worn in the car at all times (Bring your own, or available for £1.00).
- Windows will be open whenever reasonable.
- Breaks will be available outside the car.
- Physical contact, inc. via learning materials, will only be when absolutely necessary.

After your lesson

- As per government advice, change your clothes and wash them immediately.
- Dispose of masks (or wash if appropriate).
- Shower and wash hair.
- If you show any signs of infection, please let us know straight away.

Guidance may change with further information.

Covid19 - Lesson Guidance

WHAT YOU NEED TO DO:

When you get the reminder text:

- If you have been exposed, or showing any symptoms, please cancel the lesson.
- You should self isolate for 7 days and get tested if you have any symptoms.

Before the lesson:

- Wear clean clothes (preferably covering as much skin as possible).
- If paying by bank transfer, please do so before the lesson.
- Wash your hands for 20 seconds.
- Remember to bring your face mask, learner booklet and a pen.

During the lesson:

- Masks will be worn in the car at all times (Bring your own, or available for £1.00).
- Windows will be open whenever reasonable.
- Breaks will be available outside the car.
- Physical contact, inc. via learning materials, will only be when absolutely necessary.

After your lesson

- As per government advice, change your clothes and wash them immediately.
- Dispose of masks (or wash if appropriate).
- Shower and wash hair.
- If you show any signs of infection, please let us know straight away.

I confirm that I will follow these measures to help prevent the spread of Covid19.
